**6. We confirm the following:**

6.1 We have been advised about and understand the nature and implications of this agreement to arbitrate;

6.2 Once the arbitration has started, we will not commence court proceedings or continue existing court proceedings in relation to the same subject matter (and will apply for or consent to a stay of any existing court proceedings, as necessary), unless it is appropriate to make an application to the court arising out of or in connection with the arbitration, or some relief is required that would not be available in the arbitration;

6.3 We have read the current edition of the Rules of the Scheme ('the Rules') and will abide by them. In particular, we understand our obligation to comply with the decisions, directions and orders of the arbitrator and, when required, to make full and complete disclosure relating to our financial circumstances;

6.4 We understand and agree that any award of the arbitrator appointed to determine this dispute will be final and binding on us, subject to the following:

(a) any challenge to the award by any available arbitral process of appeal or review or in accordance with the provisions of Part 1 of the Act;

(b) insofar as the subject matter of the award requires it to be embodied in a court order (see 6.5 below), any changes which the court making that order may require;

- (c) insofar as the award provides for continuing payments to be made by one party to another, or to a child or children, a subsequent award or court order reviewing and varying or revoking the provision for continuing payments, and which supersedes an existing award;
- 6.5 If and so far as the subject matter of the award makes it necessary, we will apply to an appropriate court for an order in the same or similar terms as the award or the relevant part of the award. (In this context, ‘an appropriate court’ means a court which has jurisdiction to make a substantive order in the same or similar terms as the award, whether on primary application or on transfer from another division of the court.) We understand that the court has a discretion as to whether, and in what terms, to make an order and we will take all reasonably necessary steps to see that such an order is made;
- 6.6 We understand and agree that although the Rules provide for each party, generally, to bear an equal share of the arbitrator’s fees and expenses (see Art.14.4(a)), if any party fails to pay their share, then the arbitrator may initially require payment of the full amount from any other party, leaving it to them to recover from the defaulting party;
- 6.7 We agree to the arbitration of this dispute in accordance with the Rules of the Scheme.
